

Grand Finale For Summer Jams

August XX, 2019

Wembley, AB – The Philip J. Currie Dinosaur Museum’s Summer Jams music series wraps up Aug. 24 as part of a full day of family activities that include featured musician Caity Benham.

Caity will deliver two performances – from 1 p.m. to 3 p.m. and 6 p.m. to 8 p.m. on the Dino-O-Saur Patio. Her musical menu caters to a wide audience with covers of musicians and bands such as Credence Clearwater Revival, Tammy Wynette, the Animals, Johnny Cash, as well as some originals, and a lot in between.

A mother, singer/songwriter and an epileptic, Caity and her husband have two beautiful children. They push her to follow her dreams to play her music and always encourage her. As a strong woman, she always sings for charity and believes in her community.

Caity’s performance will move indoors in the event of inclement weather.

The day is a fundraiser for the Museum. Other activities includes a bouncy castle, yard games, face-painting and a silent auction.

“The Summer Jams series has provided local music fans with a great variety of performers over the past few months and is another way we enable residents and visitors to experience our wonderful facility,” says Brittany Westbury, Events and Communications Co-ordinator.

“It’s been a popular offering and we look forward to introducing even more people to our venue next summer in this distinctive way.”
