June 18, 2021

At the Philip J. Currie Dinosaur Museum we strive to not only encourage learning about Alberta's Palaeontological heritage, but to use that passion to bring our community together.

It was with that goal in mind that we have begun to plan an exciting new annual event for the museum. Palaeo-Palooza is a community geared festival of events designed to celebrate our natural history and learn how that has helped shape the world as we see it today. To ensure participant safety, we have split our festival into four, day long events taking place July 17, July 31, August 14 and August 21, 2021. Each day will focus on a different natural theme by inviting people to participate in activities both at the museum, and at various outdoor locations within the region.

After a difficult year it is more important than ever to build upon community connection and we are asking for your support to make this event a reality. Whether it be a financial contribution, the donation of goods for prize packages, or volunteer time, your sponsorship is important to us. More about sponsorship is included in the attached packet.

Thank you for taking the time to read over this request, and for your consideration in supporting the museum through our festival activities. If you have any questions regarding sponsorship or the event please contact Amana Boucher, Head of Building Operations at aboucher@dinomuseum.ca or by phone at 587-771-0662 ext. 403.

We look forward to seeing you this summer!
