

AAA2023 Battle Summary

ROUND 1

BATTLE 1

Quetzalcoatlus vs. Acrotholus

Baby dinosaur gets eaten by a giant pterosaur! It's like a BBC dinosaur documentary out there...

BATTLE 2

Lythronax vs Sauropelta

The *Sauropelta* takes a chunk out of *Lythronax* leg, but it's game over when the giant tyrannosaur flips it onto its back!

BATTLE 3

Archosaurus vs Linheraptor

Bold *Linheraptor* tries to take on the much larger *Archosaurs*. It goes badly.

BATTLE 4

Sinocalliopteryx vs Tianyulong

Sinocalliopteryx pushes *Tianyulong* off a cliff. It's like Mesozoic version of a Warner Brother's Cartoon.

BATTLE 5

Herrerasaurus vs. Prestosuchus

A *Prestosuchus* mama-to-be is in full nesting mode. She has a craving for a bite of *Herrerasaurus*.

BATTLE 6

Giganotosaurus vs. Thalassodromeus

Thalassodromeus is feeling lucky! He hopes to snag a female with his impressive mating dance. Love is blind...to a predatory attack by a huge carnivore.

BATTLE 7

Suchomimus vs Majungasaurus

Strategy for facing a *Majungasaurus*: Throw your food at it and run away.

BATTLE 8

Sarcosuchus vs Massospondylus

No one is safe in the Early Cretaceous with this mega-crocodile around! A quick chomp and belly roll is all it takes to take down a prosauropod.

ROUND 2

Battle 9

Lythronax vs Quetzalcoatlus

A victory for the underdog! The giant pterosaur manages to stab *Lythronax* and flies off victorious!

BATTLE 10

Archosaurus vs Sinocalliopteryx

The *Sinocalliopteryx* thinks the *Archosaurus* is dead. Spoiler Alert: It isn't.

BATTLE 11

Prestosuchus vs. Giganotosaurus

A nesting mother-to-be can be a dangerous foe, but even she knows not to go up against one of the largest terrestrial carnivores to ever live.

BATTLE 12

Sarcosuchus vs. Majungasaurus

Let's get ready to RUMBLE!!! Two huge carnivores, one dinosaur and one crocodile, face off against each other. As usual, it's all about food. May the strongest bite force win!
