

**PHILIP J. CURRIE
DINOSAUR MUSEUM**

To our Valued Community Member,

The Philip J. Currie Dinosaur Museum is incredibly excited to announce our Palaeo Palooza will be held August 10th and 11th this year.

We are committed to the education and research of all things dinosaur. Through strong interpersonal skills, we strive to develop and integrate a varying number of programs for the general public to broaden their knowledge. Some of these programs include Dino Summer Camps, Palaeontologist for a Day, Secrets of the Wapiti River Tours, Night at the Museum, April Archosaur Absurdity, and our Virtual Speaker Series. This being said, it is our incredible group of staff, volunteers, and sponsors that make this endeavour so successful.

Come join us on August 10th and 11th, 2024, for one of our most anticipated events of the year! Palaeo Palooza is a Science Festival dedicated to the education of all minds. There will be speakers from around the world, community booths, interactive displays, science experiments, carnival games, and more!

This is a Science Festival and open to the public of all ages. The past years have seen an attendance of 311 people in 2022 and 378 in 2023. This year, we hope to make the event bigger and better. Though, without generous sponsors such as yourself, this event may not be the success it has been in the past.

We would be so appreciative if you would consider becoming a sponsor and we look forward to your participation in this incredible event.

Kind Regards,

**Bailee Wills
Event Coordinator
