

Raft Guide

PJCDM is looking for Raft Guides to join our team for the summer. This is a great opportunity to work in the outdoors in our Secrets of the Wapiti River float tours, on the beautiful Wapiti River. This position is based out of the Philip J. Currie Dinosaur Museum in Wembley, AB, with most days spent primarily outdoors on the river and at various fossil sites. This position will be very important for the Philip J. Currie Dinosaur Museum by assisting it our 'Secrets of the Wapiti' Float program. Raft Guide training and swift water rescue training will be provided through Rescue Canada to successful candidates.

The position:

Full-time Raft Guides will work from May 12 to August 29. Days will be spent on the Wapiti River guiding full day trips on oar rafts, rowing and maneuvering the raft. When not on the river you will work on prepping for the rafting trips, maintaining the gear, and working on other museum initiatives. In addition to leading rafting trips, our Trip Leaders are also responsible for providing positive leadership for outdoor palaeontologist guides and other staff. This position is also responsible for delivering a high quality of care to our guests, coworkers, and rafting equipment. A thorough raft guide training program will start near the end of May/early June to prepare you for your duties as a raft guide.

The Philip J. Currie Dinosaur Museum will pay for successful candidates' swift water training, with Rescue Canada. Preference will be given to local candidates with the expectation that they re-apply to the museum the following year.

Responsibilities include:

- Providing demonstrations to guests for rafting techniques and safety protocols
- Provide an outstanding level of service to guests and coworkers on and off the river
- Participate in daily meetings and post-trip debriefs (as needed) with supportive and constructive feedback to team members
- Maintaining and monitoring rafting equipment for wear, demonstrate and execute high standard of equipment care
- Participate in a positive and supportive team environment

- Ensure the safety of guests and coworkers on the river
- Ability to take responsibility for the safety of the entire trip
- Physically fit and able to row the raft (oars) on 4-hour raft trips*
- Ability to lift heavy objects, load and unload rafts
